#### **SECTION 2. HAZARDS IDENTIFICATION**

# GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Reproductive toxicity	: Category 2	
GHS label elements Hazard pictograms		
Signal word	: Warning	
Hazard statements	: Suspected of damaging fertility.	
	a brand of	

ersion D	Revision Date: 08/04/2022	Date of last issue: 10/18/2021 Date of first issue: 10/18/2021	Print Date: 08/05/2022
Preca	autionary statements	Prevention:	
		Obtain special instructions before Do not handle until all safety prece understood. Wear protective gloves/ protective protection.	autions have been read and
		Response:	
		IF exposed or concerned: Get me	dical advice/ attention.
		Storage:	
		Store locked up.	
		Disposal:	
		Dispose of contents/ container to plant.	an approved waste disposa
Othe	r hazards		
None	known.		

Substance / Mixture	:	Mixture

Chemical nature : polyalkylene glycol oil

#### Components

Chemical name	CAS-No.	Concentration (% w/w)
Benzenamine, N-phenyl-, reaction	68411-46-1	Trade secret (>= 0.1 - < 1)
products with 2,4,4-trimethylpentene		

Actual concentration is withheld as a trade secret

#### **SECTION 4. FIRST AID MEASURES**

If inhaled	<ul> <li>Obtain medical attention. Remove person to fresh air. If signs/symptoms continue, get medical attention. Keep patient warm and at rest. If unconscious, place in recovery position and seek medical advice. Keep respiratory tract clear. If breathing is irregular or stopped, administer artificial respira- tion.</li> </ul>	
In case of skin contact	: Remove contaminated clothing. If irritation develops, get med- ical attention.	

Version 2.0	Revision Date: 08/04/2022	Date of last issue: 10/18/2021 Date of first issue: 10/18/2021	Print Date: 08/05/2022
		In case of contact, immediately Wash clothing before reuse. Thoroughly clean shoes before	
In ca	se of eye contact	: Rinse immediately with plenty o for at least 10 minutes. If eye irritation persists, consult	
If swallowed		<ul> <li>Move the victim to fresh air.</li> <li>If unconscious, place in recover advice.</li> <li>Keep respiratory tract clear.</li> <li>Do NOT induce vomiting.</li> <li>Rinse mouth with water.</li> <li>Never give anything by mouth to</li> </ul>	
	t important symptoms effects, both acute and yed	: No information available. None known.	
Note	s to physician	: No information available.	

#### **SECTION 5. FIREFIGHTING MEASURES**

Suitable extinguishing media	:	Use water spray, alcohol-resistant foam, dry chemical or car- bon dioxide.
Unsuitable extinguishing media	:	High volume water jet
Hazardous combustion prod- ucts	:	Carbon oxides
Further information	:	Standard procedure for chemical fires. Collect contaminated fire extinguishing water separately. This must not be discharged into drains.
Special protective equipment for firefighters	:	In the event of fire, wear self-contained breathing apparatus. Use personal protective equipment. Exposure to decomposition products may be a hazard to health.

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protec- :	:	Evacuate personnel to safe areas.
tive equipment and emer-		Use personal protective equipment.
gency procedures		Ensure adequate ventilation.
		Refer to protective measures listed in sections 7 and 8.

Version 2.0	Revision Date: 08/04/2022		e of last issue: 10/18/2021 e of first issue: 10/18/2021	Print Date: 08/05/2022
Envi	ronmental precautions	:	Do not allow contact with soil, su Prevent further leakage or spillag If the product contaminates rivers respective authorities.	je if safe to do so.
	nods and materials for ainment and cleaning up	: ס	Contain spillage, and then collect sorbent material, (e.g. sand, eart miculite) and place in container for / national regulations (see section	h, diatomaceous earth, ver- or disposal according to local

#### SECTION 7. HANDLING AND STORAGE

Advice on safe handling	<ul> <li>Avoid inhalation of vapour or mist.</li> <li>Avoid contact with skin and eyes.</li> <li>For personal protection see section 8.</li> <li>Smoking, eating and drinking should be prohibited in the application area.</li> <li>Wash hands and face before breaks and immediately after handling the product.</li> <li>Do not get in eyes or mouth or on skin.</li> <li>Do not get on skin or clothing.</li> <li>Do not repack.</li> <li>Do not re-use empty containers.</li> <li>These safety instructions also apply to empty packaging which may still contain product residues.</li> <li>Keep container closed when not in use.</li> </ul>
Conditions for safe storage	Store in original container. Keep container closed when not in use. Keep in a dry, cool and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage. Store in accordance with the particular national regulations. Keep in properly labelled containers.

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures	:	Handle only in a place equipped with local exhaust (or other
		appropriate exhaust).

#### Personal protective equipment

Respiratory protection :	Not required; except in case of aerosol formation.
--------------------------	--

Filter type : Filter type A-P

#### SECTION 13. DISPOSAL CONSIDERATIONS

Disposal methods		
Waste from residues	The product should not be allowed to enter drains, water courses or the soil. Do not dispose of with domestic refuse. Dispose of as hazardous waste in compliance with local and national regulations.	
Contaminated packaging	Packaging that is not properly emptied must be disposed of as the unused product. Dispose of waste product or used containers according to local regulations.	•

#### **SECTION 15. REGULATORY INFORMATION**

#### **CERCLA Reportable Quantity**

This material does not contain any components with a CERCLA RQ.

#### SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

#### SARA 302 Extremely Hazardous Substances Threshold Planning Quantity

This material does not contain any components with a section 302 EHS TPQ.

SARA 311/312 Hazards	:	Reproductive toxicity
SARA 313	:	This material does not contain any chemical components with

# known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

#### Clean Air Act

This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B).

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 112(r) for Accidental Release Prevention (40 CFR 68.130, Subpart F).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 111 SOCMI Intermediate or Final VOC's (40 CFR 60.489).

#### **Clean Water Act**

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

This product does not contain any priority pollutants related to the U.S. Clean Water Act

This safety data sheet applies only to products as originally packed and labelled. The information contained therein may not be reproduced or modified without our express written permission. Any forwarding of this document is only permitted to the extent required by law. Any further, in particular public, dissemination of the safety data sheet (e.g. as a document for download from the Internet) is not permitted without our express written consent. We provide our customers with amended safety data sheets as prescribed by law. The customer is responsible for passing on safety data sheets and any amendments contained therein to its own customers, employees and other users of the product. We provide no guarantee that safety data sheets received by users from third parties are up-to-date. All information and instructions in this safety data sheet have been compiled to the best of our knowledge and are based on the information available to us on the day of publication. The information provided is intended to describe the product in relation to the required safety measures; it is neither an assurance of characteristics nor a guarantee of the product's suitability for particular applications and does not justify any contractual legal relationship. The existence of a safety data sheet for a particular jurisdiction does not necessarily mean that import or use within that jurisdiction is legally permitted. If you have any questions, please contact your responsible sales contact or authorized trading partner.
